RE: WATER SHUT OFF

DATE: APRIL 8, 2010

Please be advised that the water in building 2 will be shut down on Thursday April 8, 2010 from 10:00 am to 3:00 pm. Plumbing work is scheduled and will take approximately 5 hours.

Please make sure your faucets are completely turned off and schedule showering and preparing for work accordingly.

Take notice that the water may be rusty in color after it is turned back on. Please make sure your water runs until it is clear before using.

We appreciate your patience and cooperation ☺
