RE: **Water Shut Off**
Building 5
Monday, December 21, 2009

Due to an emergency repair, **the water in Building 5 will be shut down Monday, December 21, 2009 between the hours of 10:00am – 3:00pm.** This shut off will affect the laundry rooms. Please be sure your faucets are completely turned off and adjust your schedule accordingly.

You may experience a rust color in your water once restored. This is a normal occurrence and should clear after a few moments of running. Please run your water until clear before using.

If you have any questions, please feel free to contact the Management Office. We appreciate your patience and cooperation.
